Research Plan After Enrollment (approximately 1,600 characters) (Please also write on the reverse side.)

※ No specific format is required. It is also acceptable to prepare the document on a computer or similar device and attach a printout on copy paper or similar paper (arrange it so that it fits within the front and back boxes of “Research Plan After Enrollment," and securely affix it with glue so that it does not come off).
If handwritten, use a black ballpoint pen or black ink. Erasable ballpoint pens are not permitted.
