

2026年度後期 実践英会話講座シラバス

講座番号	ZI11 / ZI12		
講座名	Daily Life English II (Online)	レベル	中級
講座回数	15回	定員	10名
講座内容	This intermediate-level online course uses short, topical news articles from Breaking News English as a starting point for discussion. Students will read the article before class and use lesson time to practise speaking, vocabulary, listening, and opinion-sharing. Topics will focus on everyday life, culture, travel, health, technology, work, education, and society. Specific articles may be selected closer to each lesson date so that the course can include current and relevant news.
